The new batch of Indian Institute of Management (IIM), Nagpur was inducted in a glittering ceremony held here recently. Shiv Shivakumar, Operating Partner at Advent International and former Chairman and chief executive officer of PepsiCo India was the chief guest. The batch comprises 260 management and two doctoral students.

Shivakumar encouraged students to try and go beyond mere academics and be "multidimensional" in their approach.

He exhorted students to do live projects instead of limiting themselves to desk bound research. He said, students after graduation should look for opportunities of career growth and constantly upgrade themselves. He
